Dear CVCEO Members,

The school year is upon us once more, but this year the economic situation, and the numerous layoffs the District has implemented, have created a lot of confusion regarding people's assignments for the start of the school year.

If you have heard from your Principal or Supervisor that your hours are going to be **reduced** for the year, but you did not receive a layoff notice from the District, or if you have any concerns about your layoff or a rescinded layoff, **please let CVCEO know right away**. We are in the process of working on these situations and are trying to resolve any discrepancies with the District.

You may contact Pat Miller or Dali Monroy by email or phone. Please allow them time to review each person's individual case and respond appropriately. Please include your full name, contact information, job title, job location, and a summary of when and what you were told and by whom.
